**Subject:- Lok Sabha Starred Question No 34 for answer on February 25 , 2015**

Sir,

This is with reference to your e-mail dated February 24, 2015. The requisite information specific to IIT Delhi is given as under :

S.no	Question	Reply
a)	whether the Government has decided to launch free online courses by premier institutes such as the Indian Institutes of Technology (IITs) and the Indian Institutes of Management (IIMs) in the country and if so, the details thereof	IIT Delhi is an integral part of NPTEL where online course material for various engineering / management / humanities courses has been developed. IITD also is a regular partner of QEEE initiative and many faculty have taught classes, both in an online mode and also for modular development of courses as per QEEE needs. However, currently IITD has not launched any online course where the students are evaluated and graded (in a MOOCS type of initiative) but IIT Delhi is willing and ready to do participate in this activity if and when there is a need.

b)	whether a nominal fee is proposed to be charged for various online courses and if so, the details thereof;	Not applicable to IIT Delhi as all the NPTEL and QEEE course material is on the respective servers managed by IIT Madras and available at free of cost.
c)	whether any special dispensation being proposed for persons with special abilities and those belonging to the Scheduled Castes and Scheduled Tribes and if so, the details thereof?	IIT Delhi is cognizant of the special requirement of students with disabilities as well as of those belonging to SC and ST categories. The Institute would ensure to take care of their special requirement while offering online courses.

Thanking you,

Yours faithfully

**Subject: Lok Sabha Starred Question No. 123**

Sir,

This is with reference to your e-mail dated July 24, 2015. As desired, the requisite information in respect of IIT Delhi is given as under :

(A) The Observations of IIT Delhi regarding the recommendation of National Knowledge Commission (NKC) are as follows:

(a) **Recommendation of NKC**: Improving Governance of Institutions

**IITD**: Head of Institution is appointed by committee chaired by Honorable Minister of HRD.

(b) **Recommendation of NKC**: Attracting and Retaining Faculty

**IITD**:

- Adjunct position in place.
- Ph.D is the norm for all teaching positions, including positions for UG Students
- Salary of faculty is not commensurate with the salary of MNC executives

(c) **Recommendation of NKC**: Curriculum Reform

**IITD**: IIT Delhi has good labs and good facilities for extracurricular and Co-Curricular activities

(d) **Recommendation of NKC**: Encouraging Research

**IITD**: IIT Delhi has significant research focus.

Contd...P/2

-2-

(e) **Recommendation of NKC**: Mentoring

**IITD**: IIT Delhi in active is mentoring other institution (IIT Ropar, IIT Mandi, IIT Jammu, NIT Delhi and NIT Calicut).

(B) Regarding the recommendation of Yashpal Committee Report on Higher Education, IIT Delhi has expanded it's Humanities Department from a strength of 15 faculty members to 30 over the last decade to reflect increased importance of Social Sector in the context of Technical education.

Thanking you,

Yours sincerely,

**Subject:- Notice for Rajya Sabha Unstarred Question No-1467 to be answered on 3rd August, 2015 regarding Salaries of IIT faculties**

Sir,

This is with reference to your e-mail dated July 28, 2015. As desired the reply to (c) and (e) is given as under :

- (a) whether professors and deans at IITs earn a pittance as compared to faculties engaged by coaching institutes in Kota and elsewhere; and
- (b) whether salaries of IIT faculty start at Rs.10-11 lakh per annum for professors and Rs. 25 lakh per annum for deans whereas Kota coaching institutes hire faculty at more than Rs.1.00 crore per annum and if so, the details thereof?

**Ans. (a) & (b)**

The salary structure of IIT Faculty is as under

i)	Professor	PB 4 Rs.37400-67000/- + AGP 10500/- + DA + 30% HRA (Rs.48000 + 10500 + 66105 + 17550 = 1,42,155/- approx)
ii)	Associate Professor	PB 4 Rs.37400-67000/- + AGP 9500/- + DA + 30% HRA (Rs.42800 + 9500 + 59099 + 15690 = 1,27,089/- approx)
iii)	Assistant Professor	PB 3 Rs.15600-39100/- + AGP 7000/8000/- + DA + 30% HRA (Rs. 30000 + 8000 + 42940 + 11400 = 92,340/- approx)

As regards income of those Faculty members engaged in coaching in the Institute at Kota and /or elsewhere, this Institute does not have any information in this regard.

Note 1. The above pay structure is applicable at the time of initial appointment

Note 2. In case of Assistant Professor there is a provision for movement to Pay Band 4 after completion of three years.

Thanking you,

Yours faithfully

**Subject:- Lok Sabha Unstarred Question No.1473 regarding Backlog Vacancies to be answered 04.03.2015**

Sir,

This is with reference to your e-mail dated February 26, 2015. The requisite information specific to IIT Delhi is given as under :

- a) Details of the backlog vacancies of SCs/STs/OBCs in all Indian Institutes of Technology (IITs), Indian Institutes of Management (IIMs), National Technology (NITs) and Central Government educational institutions; and
- (b) The total number of above category persons working in the said institutions as on 31 December, 2014 compared to 31 December, 2013 institute and category-wise?

**Ans.(a)**

Faculty positions

In IITs, there is no apportioning of faculty positions amongst Assistant Professor, Associate Professor and Professor. Further there is no reservation in Engg. & Science faculties at the level of Associate Professor and Professor. As such, it would not be possible to furnish the desired information on Backlog vacancies in faculty positions..

Non-Academic Posts

There are no backlog vacancies of SC/ST/OBC.

**Ans. (b)**

The desired information is furnished as under :

Faculty positions	as 31.12.2013	on	as 31.12.2014	on
OBC		4		6
SC		3		4
ST		0		2

Non-Academic Posts	as 31.12.2013	on	as 31.12.2014	on
OBC		59		64
SC		168		169
ST		15		15

**Subject:- Lok Sabha Unstarred Question No. 3688 to be answered on 12.08.2015 regarding**

This is with reference to your e-mail dated August 11, 2015. As desired the information specific to IIT Delhi is given as under:

i) The contribution of Indian Institutes in high quality international research publication;

**Ans. The faculty of IIT Delhi publishes in high quality international journals and proceeding of research conferences.**

j) Whether it is true that more than 48 percent researches done in the country are not published in international journals?

**Ans. Most of the publication of the faculty of IIT Delhi are published in international journals of repute. Departments are mandated to maintain a list of journals of repute in respective research areas.**

k) If so, whether the government is aware of the fact that faculties of the universities are getting their research published in paid journals to get quick API score aimed at claiming higher academic positions:

**Ans. IIT Delhi does not encourage publishing articles in paid journals. IIT Delhi does not follow API.**

l) If so, the details thereof and the action taken by Government to curb such practices of faculties of the Universities; and

**Ans. Not applicable.**

m) The steps taken by the Government to attract the backward classes and women towards research?

**Ans. IIT Delhi follows all norms of Government of India for reservation in admission. The Institute also encourage women candidate for admission into**

**the various academics programme. About 35 % of students in the doctoral programme of the Institute are women.**

Thanking you,

Yours faithfully

Sir,

This is with reference to your e-mail dated August 6, 2015. As desired, the requisite information in respect of IIT Delhi is given as under :

- n) The Total number of seats available in all the Indian Institute of Technology (IITs) where direct or indirect financial support is being provided by the Government; and

**Ans.**

<b>S.No</b>	<b>Academic</b>	<b>Seats</b>
<b>1.</b>	<b>Undergraduate</b>	<b>192</b>
<b>2.</b>	<b>M.Tech/M.Des/MS(R)</b>	<b>873</b>
<b>3.</b>	<b>Ph.D.</b>	<b>1120</b>

o) The number of seats reserved for SCs/STs/OBCs in these institutes, course and institute-wise?

Ans.

S.No	Academic	SC	ST	OBC
1.	Undergraduate	127	65	227
2.	M.Tech	131	65	236
3.	Phd	168	84	302

**Subject:-** Lok Sabha Unstarred Question No. 6568 for 06.05.2015 regarding Representation of SC/ST Communities

Sir,

This is with reference to your e-mail dated April 30, 2015. The requisite information specific to IIT Delhi is given as under :

(A) The total percentage of staff in the IIT Delhi represented by Schedule Castes and Schedule Tribes communities during the last three years.

<b>YEAR</b>	<b>TOTAL EMPLOYEES</b>	<b>SC EMPLOYEES</b>	<b>ST EMPLOYEES</b>
2012	870	23% (197)	2% (18)
2013	811	23% (183)	2% (19)
2014	751	22% (167)	2% (17)

<b>YEAR</b>	<b>TOTAL STUDENTS</b>		<b>SC STUDENTS</b>		<b>ST STUDENTS</b>	
	<b>UG</b>	<b>PG</b>	<b>UG</b>	<b>PG</b>	<b>UG</b>	<b>PG</b>
2012	831	4258	13% (112)	374	7% (62)	75
2013	843	4239	15% (127)	314	7% (62)	60
2014	855	4308	14% (124)	308	8% (66)	54

(B) The details thereof

As given above.

(C) The number of Retirees, drop-outs, in IIT Delhi amongst scheduled castes and scheduled tribe during the above period

<b>YEAR</b>	<b>RETIRED EMPLOYEES</b>	<b>SC EMPLOYEES</b>	<b>ST EMPLOYEES</b>
2012	58	10	02
2013	75	15	01
2014	70	15	02

<b>YEAR</b>	<b>SC STUDENTS</b>		<b>ST STUDENTS</b>	
	<b>UG</b>	<b>PG</b>	<b>UG</b>	<b>PG</b>
2012	1	34	2	18
2013	1	61	1	15
2014	2	43	4	16

(C) The steps taken by the government to secure adequate representation of these communities?

IIT Delhi is following the Govt. of India rules in this regard and representation as per norms is being given to these communities.

Thanking you,

Yours faithfully

**Subject:- Input for Parliament Starred/Unstarred Question No.6624 for the Lok Sabha to be answered on 06.05.2015**

Sir,

This is with reference to your e-mail dated April 30, 2015. The requisite information specific to IIT Delhi is given as under :

	Question	Reply
a)	Whether the Government has taken note of the use of 3D Printers in various sectors internationally and its presence in India.	<b>Yes.</b> The IIT Delhi has five 3D printers.  Realizing the potential of 3D printing technology, IITs in general and IIT Delhi in particular are using 3D Printers extensively for teaching, research and new product development activities. It is part of curriculum in IIT Delhi and many students use 3D printing facility for their projects pertaining to design, research and innovation.
b)	If so, Whether the government has considered the manner in which this technology can be used for medical purposes and also advancing small scale make in India Projects.	<b>Yes.</b>  3D Printing has also been used in design and development of some medical and assistive devices in IIT Delhi. It has been used to make prototypes of new medical and diagnostic devices for functional testing and user trials during design and development stage. For example following representative (not exhaustive) on-going projects concerning development of medical and assistive technologies have used 3D printing:  a. Development of customized prosthesis for breast cancer patients who have undergone mastectomy surgery.

		<ul style="list-style-type: none"> <li>b. Design and Development of orthotic knee joint for polio patients</li> <li>c. Design and development of dental implants</li> <li>d. A breathable and customized cast for immobilization of fractured limb (together with AIIMS)</li> <li>e. Design and development of refreshable Braille for visually challenged.</li> <li>f. Smartcane – An electronic Travel Aid for visually disabled.</li> </ul>
c)	Whether the government has explored any other avenues where 3D printing can be used innovatively for the benefit of people and if so details thereof.	<p><b>Yes.</b></p> <p>IIT Delhi has used 3D printing in a few innovative ways. Some patents too have been filed for these new innovations. For example IIT Delhi has been working on production of tactile diagrams for visually challenged. In this case it has been possible to make tactile diagrams in an affordable way using 3D printing. The new technology has potential to benefit large number of visually challenged students in our country who cannot access information and content available in the form of graphics/pictures/diagrams etc.</p>

**Subject:** Lok Sabha Unstarred Question No. 1455 for 29.07.2015 regarding "Research Facilities of International Standard

Sir,

This is with reference to your e-mail dated July 27, 2015. As desired, the requisite information in respect of IIT Delhi is given as under :

(d) whether several Indian Institutes of Management (IIMs) and Indian Institutes of Technology (IITs) have formulated guidelines to incentivise faculties to conduct quality research in their institutes and if so, the details thereof; and

(e) the details of the guidelines for promoting research and incentivising faculties of Central universities?

**Ans. (d) & (e)**

Research accomplishments is perhaps most important parameter while carrying out selections as well promotions of faculty in IIT Delhi. This requirement is to sustain faculty interest and ensure their commitment to quality research during their academic career. Taking a step forward towards Research and Development, sponsored project funding through sponsors from government, industry as well as foreign (bilateral as well as multinational) are facilitated by IIT Delhi. This enables them to have greater autonomy in prioritizing budget for equipment, infrastructure, hiring manpower, honorarium, travel, etc. As per the status of IIT Delhi

- (I) Research Grant Upto Rs. 10.00 lac is given to the faculty on joining IIT Delhi.
- (II) IITD allocated appx. Rs. 36 Crore as PhD scholarship and Rs. 21 crore towards upgrading equipment to maintain state of the art facilities in financial year 201
- (III) 5-16.
- (IV) Rs. 65 Crore has been allocated to create High Performance Computation and Data Centres.
- (V) This apart, 37 chair positions are available for promoting/supporting Research initiative.

Thanking you,

Yours sincerely,

**Sub: Parliamentary Committee on welfare of Schedule Cast and Schedule Tribe- "Role of Educational Institutions including Universities, technical, medical and engineering in social-economic development of SCs & STs for detailed examination during the year 2015-16.**

Dear Sir,

It has a reference to your e-mail dated July 29, 2015 on the above cited subject. As desired, the requisite information in respect of IIT Delhi is given as under :

p) SC/ST students in the final year (9<sup>th</sup> and 10<sup>th</sup> semesters) of Dual Degree programme are eligible for HTTA at the rate of Rs. 5000/- per month for 12 months on valid GATE score or on a relaxed CGPA score i.e. 7.5 at the end of 8<sup>th</sup> semester.

**Ans. As per rule of the Institute, all final year students (Dual) are given Teaching Assistantship provided they have qualified in GATE or have a CGPA of 8.00 or more after completion of 8 registered semesters. For continuation, a student has to secure S.G.P.A of 7.00. The amount is Rs. 12,400/- w.e.f. 1<sup>st</sup> December, 2014.**

q) All SC/ST students with B.Tech degree from IITs are eligible to apply for direct admission to M.Tech programme provided they get CGPA of 7.5.

**Ans. There is no separate criteria for IIT graduates for direct admission. However students with 75% or CGPA of 8.5 are eligible for direct admission. In case of SC/ST it is 70% or CGPA of 7.5 on 10 point scale.**

**Subject: Rajya Sabha question Dy. No. S476 to be answered on 27.04.2015 regarding setting up of IITRA at Mauritius**

Sir,

This is with reference to your e-mail dated March 10, 2015. The requisite information specific to IIT Delhi is given as under :

S.no	Question	Reply
a)	whether Government had signed a Memorandum of Understanding (MoU) in November, 2013 for setting up of the International Institute of Technology Research Academy (IIRTA) at Mauritius;	IIT Delhi has signed a MOU with Mauritius Research Council for setting up of an International Institute of Research Academy Mauritius in collaboration with IIT Delhi. A copy of this MOU is attached.
b)	if so, the details thereof;	
c)	the details of academic programmes in operation in IITRA along with the expenditure incurred so far thereon?	No academic programs have been started as yet. Further, IIT Delhi has not incurred any expenditure from its source on either setting up of this campus or on starting of academic programmes.

Thanking you,

Yours faithfully

**Subject: Rajya Sabha question Dy. No. 1073 regarding 'Brain-Drain'**

Sir,

This is with reference to your e-mail dated July 15, 2015. As desired, the requisite information in respect of IIT Delhi is given as under :

- r) Whether the students, after availing good education at the premier institute like Indian Institute of Technologies (IITs)/ National Institutes Technologies (NITs)/ Indian Institute of management (IIMs) etc. are going abroad to earn huge money and if so, the details thereof;

**Ans. IIT Delhi (or any other IIT, for that matter) does not have any control on what students do after graduation. We cannot keep a record of their career after IIT.**

**Some students do get placed through our on-campus placements. Some multinational companies do hire through this process; however, we do not know whether the students are placed abroad or within India as most MNCs have operations in India also.**

**In view of the above, we are unable to give any definitive figures.**

However the information regarding students opting for foreign assignments at the time of campus placements is as under:

Year	No of students selected through campus placement for foreign job	% of students opting for foreign assignments	Average Salary
2011-12	36	4.75	65.00 K USD
2012-13	55	7.66	71.35 K USD
2013-14	55	7.28	82.3 K USD
2014-15	29	3.6	---

It is mentioned here that some students rejected international offers including those with over \$125,000 per annum as base pay this year opting to accept offers from either the company's counterparts in India or other firms with domestic offers on campus.

- s) The steps the Government has taken or proposes to take any initiatives to stop brain-drain from different fields

**Ans. NA**

- t) if so, the details thereof

**Ans. NA**

- u) Whether the Government proposes to make it mandatory to put a condition that such students should invariably serve India at least for the immediate ten years.

**Ans. NA**

- v) If so, the details thereof, and if not, the reasons thereof ?

**Ans. NA**

Thanking you,

Yours faithfully

One of the effects of the vacancy of the Faculty position is that the number of students in class increases and reduces personal attention. The work load on visiting faculty also increases as a result.</p>

1.	IIT Delhi	20	6	14 **	10	2	8 **
----	-----------	----	---	-------	----	---	------

**Reasons for non-filling of backlog vacancies:** Despite our best efforts to fill-up the faculty vacancies for all categories, we are unable to recruit the suitable persons, however, in order to secure adequate representation of SC/ST/OBC communities at IIT Delhi, special drive for recruitment of faculty for SC/ST/OBC categories has been carried out during 2013-2014 in addition to rolling advertisement already available on Institute website

\*Notional vacancies have been worked out on the basis of existing number of Assistant Professors in position is 134.

**Note:** 1.Reservation as per MHRD, Govt. of India policy is applicable only in respect of entry level post of Assistant Professor, and subsequently the post gets dereserved if suitable candidate are not found (as per MHRD letter No. 16-8/2000-T.S.I dated 08.08.2008).

**Note:** 2. Since there is no fixed number of Assistant Professors in the Institute, the number of vacancies available for persons belonging to SC & ST is at a given point of time (i.e as on date) the number of Assistant Professors happens to be 134 in position.

\*\* In view of Note 2 above, there is no backlog at present.

**(B) Non- Teaching**

**Ans (b) & (c)**

Total number of non-teaching staff sanctioned posts are 854 and the posts are earmarked for SC/ST as per Govt. Reservation Policy.

**Ans (d)** Yes, the total staff in position are 735 as on 30.07.2015 out of which posts occupied by SC/ST are 202.

Thanking you,

Yours faithfully

**4. IIT Guwahati, Total Villages: 10**

1	Rajaduar
2	Kating Pahar
3	Purankhundum
4	Lumpi, Boko
5	Amtola
6	Bodo Gaon
7	Tiling Gaon
8	Ananda Nagar
9	Baka Gaon
10	Mawlynnong

**5. IIT Hyderabad Total Villages -3**

1	Aliabad
2	Gunthapalle
3	Utharpalle

**6. IIT Indore Total Villages: 2**

Sl No.	Village
1	Simrol
2	Asrawad Khurd

**7. IIT Jodhpur Total Villages: 2**

Sl No.	Village
--------	---------

1	Karwar
2	Ghadav

Description of work :

(1) Skill development of villages on maintaining solar farms

(2) Improving quality of life by providing technological intervention in providing clean drinking water

Agencies involved : Ministry of New and Renewable Energy, Ministry of Water Resources

### 8. IIT Kanpur                      Total Villages: 12

1	Purwa Nankari
2	Bara Sirohi
3	Devisahay Nagar
4	Lodhar
5	Chak Ratanpur
6	Maksoodabad
7	Naramau
8	Tikra
9	Hora Bangar
10	Itra
11	Kusauli
12	Singhpur

All the above 12 villages are within the 5 km radius of IIT Kanpur. We intend to explore the following possibilities:

- a) Train the teaching in primary and middle level schools.
- b) Create model lectures, experiments, materials, exercises and notes for primary and secondary level education.
- c) Create awareness about health and hygiene
- d) Advice on quality and sources of portable water
- e) Setup laboratories and experimental kits in schools for physics, chemistry, mathematics and biology

f) Advice on municipal planning to solve problems of water logging, drainage, roads and transportation

g) Teaching of artisans on handicrafts and related technologies

**9. IIT Kharagpur Total Villages: 13**

1	Porapara
2	Pariapara
3	Kashijora
4	Rakhalgeria
5	Malma
6	Sholadahar
7	Hiradihi / Amlasol (Talbagicha)
8	Balarampur
9	Ayma
10	Gaghra
11	Rangametia
12	Nayapara and Arambati
13	Salua

**10. IIT Madras Total Villages: 11**

1	Ariyur, Nagar, Thirumangalam	3
2	Gummadipoondi, Pollachi	2
3	Pollachi IOCL Multiskill Development Center	1
4	Bhoi Sahi Tirimal	1
5	Palaguttapalli	1
6	Budhoda	1
7	Srivilliputhur	1
8	Chotanikkara	1

**11. IIT MANDI**

Sl No.	Village
1	Kamand Valley *

\*The Kamand Valley surrounding IIT Mandi has a number of hamlets with population ranging from 50-500 persons. IIT Mandi would take up technology - based developments in this Kamand Valley. Broadly, these would be in the areas of education, income-generating activities, medical care, environment.

**12. IIT Patna Total Villages: 2**

Sl No.	Village
1	Amhara
2	Ibrahimpur of Bihta block

Agricultural machinery, Renewable energy, Medical instruments, Small-scale Industries, Public health, and Educational outreach.

**13. IIT Roorkee Total Villages: 5**

1	Bhangedi
2	Telliwala
3	Chharba
4	Khanjarpur
5	Kalsi

**14. IIT Ropar Total Villages: 1**

Sl No.	Village
1	Khauspura in the district of Ropar.
