<td>Patients are taking treatment on behalf of these X-Rays not only in our Hospital but also in different private and government hospitals. Our hospital is a small unit which doesn’t even have facility like plaster etc. Moreover, many hospitals in Delhi NCR are using machines similar to our hospital. From above mentioned details, it is proved that X-Ray machine is in good working condition. So, why Institute is in hurry to purchase Digital X-Ray Machine by investing funds as this X-Ray machine is not declared unfit by Engineer. In September, 2005, Ultrasound machine was purchased by Institute. Cost of Ultrasound machine was Rs.12,00000. Its warranty period was 12 months. (Photocopy attached). No work was done on this Ultrasound machine w.e.f. September 2005 to September, 2006. (Photocopy attached). Also no monthly report was submitted in MCD by the Institute during the above period although they were having the full time gynecologist. Kindly provide me the information in one word (Yes) or (No) that whether it was violation of PC PNDT Act 1994 by Institute or not as no monthly report was submitted by IIT Delhi Hospital w.e.f. Sept 2005 to Sept 2006 in MCD. Hoping for the proper reply as Institute is having its own well established legal department.</td>

Mr. Venkatramanan Krishnamurthy vide his RTI application dated 30\textsuperscript{th} December 2015 had sought information regarding caste certificates of OBC, scheduled castes and scheduled tribes students admitted in B.Tech in the year 2014. Information was denied under section 7(9) and 8(1) (d) (e) of the Act for Point Nos.14 (b) to (h).

Aggrieved by the reply furnished by PIO, the applicant opted for 1\textsuperscript{st} appeal which was again being denied by the First Appellate Authority on 23\textsuperscript{rd} March, 2016.

Not satisfied by the reply given by the First Appellate Authority he further gave documentary proof where CIC instructed PIO’s to provide copy of caste certificates where the applicant have been admitted in Govt funded academic institutions through reservation/quota. Hence those students used their caste certificates for availing public facilities, their caste certificates be published and be declared as public information. Further, a meeting was arranged through Skype on 03\textsuperscript{rd} May, 2016 with the applicant. The meeting was attended by Registrar, Public Information Officer and Assistant Registrar (UGS).

The Resolution of the meeting is reproduced below:-

The document submitted by the candidates on which admission is sought are in public domain. The Caste Certificate submitted entitles him/her for a reservation quota, based on which the admission is obtained. Since such certificates are issued by designated/ public authorities and being used for various purposes by the candidates for availing relaxation / quotas in public good, so such documents should always be made available in the public ambit and submission/transmission of such document is very common feature wherever the benefits are availed. Accordingly it qualifies for its suo-moto disclosure. Therefore the public authority holding such caste certificates may provide the documents and also make efforts to disclose or make provisions to disclose under section 4(1) (a) of the RTI Act, 2005.

In view of above, it has been decided by the Competent Authority that in future such RTI queries be considered and caste certificates be disclosed.

Dear Mr. Malhotra,

This has reference to your above application transferred under section 6(3) of the Act by MHRD vide their letter No. A-33-1/2016-TS-1(July) dated 19th July, 2016 received under Right to Information Act, 2005. The reply is furnished below:

Sr. No. RTI Query (as per actual) Response by IIT Delhi
1. During the time of IIT-JEE 2012 Counseling, IIT Delhi took an amount of Rs. 40,000. The fee for first semester (2012-13/1) was less than Rs. 40,000. The accounts section of IIT Delhi said that rest of the money would be adjusted in next semester (i.e. 2012-13/II) fee. But it was never adjusted and we have not received the refund for that too. Kindly let me now what was done with that money.

The fee paid by the student at the time of IIT-JEE 2012 was Rs. 40,000/- which included Rs. 1000.00 as Processing/Counseling fees. The actual fee of 1st Semester 2012-2013 was 34,135.00. The extra fee paid by the student was Rs. 4865.00 (Rs. 40,000-1000-34,135).

The extra fee paid by the student has already been adjusted in the subsequent fees of 1st Semester 2013-14.
